

Helping other people everyday!

January 8, 2018

Greetings,

Every year, over 15,750 children receive the diagnosis no parent or child wants to hear—cancer. On March 10, 2018, Blair's Tree of Hope is hosting their 6<sup>th</sup> Annual Interpretations of Hope Event to raise money to help these families with daily essentials, so they can focus all their efforts on helping their child fight this horrible disease.

To fulfill our mission of helping of children who have been hospitalized with a life threatening illness due to Pediatric Cancer, Pediatric Bone Marrow Transplant or Pediatric Blood Disorder, we need your help. With 200-300 planned to attend this year's event, we are looking for sponsors to partner with us to make this event a success.

This year's event marks the 11<sup>th</sup> anniversary of our daughter, Blair, the namesake of Blair's Tree of Hope, earning her angel wings after fighting her own battle with cancer. The event will include Wine/Beer tastings, food, games, music and a silent auction that features our Painting for Hope Kids/siblings. These kids/siblings have been battling a form of Childhood Cancer or have lost a sibling to this dreaded disease.

We hope you will consider sponsoring—and attending—this year's event at the Holiday Inn &Suites, 5120 American Blvd, Bloomington, MN 55437.

Simply select a sponsorship level below. Then either email us at << >> or send this letter back with your check made payable to Blair's Tree of Hope to:

Blair's Tree of Hope  
5627 Green Circle, #113  
Minnetonka, MN 55343
